

THE VIRGIN ISLANDS DEPARTMENT OF
EDUCATION

Permission for Tier II Services

Date: _____ Student: _____ Grade: _____

Teacher: _____ Parent/Guardian: _____

We have a wonderful school-wide goal this year. Our goal is to create an inclusive and welcoming environment which values, recognizes and affirms the worth of each individual in our learning community. To help us reach our goal we are continuing to participate as a PBIS (Positive Behavioral Interventions and Supports) school; a very effective program for supporting students and staff. We have built up our universal, Tier I PBIS program, which includes our reward system, consistent disciplinary policy, classroom management skills, etc. We are now implementing Tier II strategies for students who may need additional support throughout the year. Strategies include but are not limited to Check In/Check Out, Check & Connect, SAEBRS, School Climate Survey, skill building groups, academic groups, etc. We would like your permission for *your child to have the potential to participate in these services* should your child ever need additional support while in school.

If your child is chosen to participate in a Tier II program based on their behavioral or academic needs, you will be notified with the specifics; giving your child permission at this time allows us to plan more efficiently.

Most children who participate in Tier II programs show rapid gains, enjoy working with the facilitators, and benefit from additional attention provided by their classroom teacher. If your child is in a program, our school's Tier II Team will monitor the data closely. After your child meets his/her program goals we will celebrate.

To support each child's success we ask parents to make sure children arrive on time each day.

Sincerely,

_____ School

I give my child permission to participate in Tier II services:
